

LA BELLE ÉPOQUE IN PARIS: ART, CULTURE AND PROGRESS

La Belle Époque, or Beautiful Era, reflects a golden age in the history of France between the close of the Franco-Prussian War and the beginning of World War I (1870-1914).

You will learn about this period of optimism, elegance and progress -both in the arts and sciences- through the eyes of pioneers such as Monet, Manet, Lautrec, Rodin, Debussy, Picasso, Sarah Bernhardt, Oscar Wilde and their friends.

Wendy Joyce has a PhD in French studies from Princeton University who specialises in 19th- and 20th-century French culture and art history.
